Hey Jason,

I can only schedule the BAC class, the SFST program just piggybacks on my scheduled training dates without telling me who the instructor is supposed to be. They will also cancel classes if they don't have an instructor without telling anyone. She is set up for the BAC hold the SFST. Thanks,

Bill Bogen

Hey Bill,

She only needs BAC, because she hasn't been through the initial SFST class to qualify for refresher. And according to the sheet, SFST isn't offered on that day, only BAC Refresher.

Thank you.
