Sir, The attachments are the only items that I have, we don't issue certificates. If this doesn't work let me know and I can contact CTOS to see if they have some additional information they can provide.

Attached is the roster for the classes. Sorry, no signature required since they log in electronically. We ran from 8:00 – 4:30 or 5:00 each day. I have attached the flyers for the classes as “proof” of time in class. I hope this works.

Hello Ms. Godinez,

Two officers from my department, Officers Nathan Lynch and David Huibregtse, attended this class last week. I'm the training sergeant and I need something that shows proof they attended; a certificate or a sign in roster, preferably that shows the total amount of hours of the class. If I get audited by the state I need to show proof of their attendance.

Thank you.
