### Navigating a Public Safety Career in a Way that Protects Your Professional and Personal Life

"One of the biggest challenges to policing in a democratic society is **maintaining an emotionally healthy workforce** of professional men and women **who can deal with matters and issues that the rest of society cannot handle.**" —Dr. Kevin Gilmartin

"While agencies prioritize efficient and effective crime strategies and delivery of services, they have neglected to **accept the challenge of hiring and sustaining officers who can successfully arrive at retirement personally and professionally whole.**" —Capt. Brian Nanavaty

"It is crucial to provide public safety professionals with field-tested communications skills proven to help **de-escalate volatile situations, preserve officers' emotional and professional well-being,** and significantly enhance the agency's professional image." —Chief Harry P. Dolan (Ret.)
