Subject: Now is the Time to Invest in Your Skills

Here is Your Opportunity to Build Your Skills and Start a Lifelong Partnership

Our classes are taught by **instructors with decades of experience in law enforcement, criminal investigation, and forensic science**. As a Sirchie student, you'll get the tips and tricks they've learned over the years.

When you're back in the field as a Sirchie alum, **you'll have the lessons you learned in our training and an expert to call at your fingertips** when you need that extra insight during your investigation. Our former students stay in touch with our instructors so they have a **lifelong resource of someone who's been there before**.

[Reserve your spot today](#)

Reserve now! Spots are filling up...

- [Comprehensive Crime Scene Photography](#), **March 6 - 10**
- [Digital Device Forensics](#), **March 15-16**
- [Evidence Collection](#) , **April 3-7**
- [Firearm and Toolmark ID & Shooting Reconstruction](#), **April 24-28**
- **Latent Fingerprint Classes**
 1. [Basic Latent Fingerprint Comparison](#) , **March 14-18**
 2. [Advanced Latent Ridgeology](#) , **April 25-29**
 3. [Comprehensive Advanced Latent Print Comparison](#) , **March 28-April 1**

Can't make these or interested in our full training schedule?

Visit [Sirchie Training](#) today. New classes are added on a regular basis.
