 Subject: Buying & Selling Electric Power in the West: Live Seminar

*Live Seminar: "Sometimes you just have to be in the same room."*

**Buying & Selling Electric Power in the West**  
**January 26 & 27, 2015**  
**Seattle, WA (Courtyard Marriott / Pioneer Square)**

Mr. Dorsey:

Law Seminars International's 20th annual conference on "Buying and Selling Electric Power in the West" provides detailed analysis of the cutting edge legal, regulatory and policy issues defining the energy industry, and features an outstanding lineup of distinguished expert speakers. Program co-chairs, **Stan Berman** of Sidley Austin, LLP, Seattle, **Slade Gorton** of K&L Gates, LLP, Seattle, and **Katherine A. McDowell** of McDowell, Rackner & Gibson, PC, Portland, have expertise in public policy, litigation and compliance and will be joined by leading practitioners with experience representing utilities, energy developers and ratepayers.

Several distinguished speakers from the regulatory arena have joined the faculty as well. Attendees will hear from FERC Commissioner **Philip D. Moeller** on FERC policy priorities with the greatest potential impact on the western energy market in 2015. EPA Region 10 Administrator **Dennis J. McLerran** will discuss EPA's proposed rule to regulate carbon emissions from existing power plants, the options available to the states and how it fits with other federal regulatory initiatives. Additionally, a special panel of state utilities commissioners from Washington, Oregon and Montana will discuss the important policy and regulatory developments happening at the state level.

This one-of-a-kind conference will offer an unmatched comprehensive look at the state of the energy markets and prospects for future policy and regulatory changes. Register soon to reserve your seat or attend via webcast to hear from the following:

- **The Hon. Philip D. Moeller**, Commissioner, Federal Energy Regulatory Commission, Washington, DC
- **Richard H. Allan, Esq.**, Marten Law, PLLC, Portland, OR
