Once you expire, you will be unable to process a DUI using the BAC. If you want to get in sooner, I had a couple of openings come up for the May 18th class. Let me know if you would rather get into that class.

Thanks,
AL

With my BAC expiring on the 4th and the class being on the 15th can I still operate the BAC machine during my grace period or is that a no no?

Is there a grace period at all for BAC? Mine expires 6/4/16.

Let me know if you would like one of those classes.

Trooper Havenner,

Do you still have an opening for the March 9 BAC Datamaster/SFST refresher course? If so can you sign me up?

Very Respectfully,
