Hey Greg,

Can I get the BLEA syllabi for each officer, and if possible, the syllabi for Officers Bell and Lynch, who also attended the reserve academy?

Thank you for your time.

All three transcripts list the dates of graduation from WSCJTC courses - not the syllabi for those courses. Jensen simply took far more courses: 27 separate courses with 27 different graduation dates.

Hi Greg,

I noticed a breakdown of classes for Officer Jensen, but none for the other officers. Does CJTC not break down the curriculum of all academies?

Thank you.

I have attached the official transcript from a full-name search of our LMS database of persons who attempted or completed any of 328 WSCJTC courses. We recently eliminated 500 courses from LMS.

We do not retain diplomas or course completion certificates; this transcript is official confirmation of WSCJTC courses attempted or completed. For BLEA - and for no other course - we will create a replacement diploma on request, a process that takes about 7 business days.
