Subject: RE: ASL Workshop

---

ASL was one of my favorite classes I took in college. Depending on the day we will see if I can go, hopefully I can!

Fyi...I don't think I saw your name! I would love to go to this if I could, but I am out of town.

**Subject:** ASL Workshop

The Port Orchard Police Department is hosting an American Sign Language (ASL) Workshop on August 17, 2016. We are inviting anyone who is interested in learning about deaf culture and our deaf community. You do not need to be in Law Enforcement to attend, it is open to everyone. Please see attached flier and RSVP as soon as you can.

Thank you.
